Losi Group is pleased to announce the new strategic partnership with DH Sutherland

As Avio Commerciale S.r.l (a part of Losi Group) we're pleased to announce a strategic partnership with DH Sutherland (Beaverton, OR - USA) around material & process best practices for advanced composite manufacturers. The partnership will leverage each other's knowledge & experience in recreation and transportation advanced composite markets to bring customers new technologies and techniques from either side of the Atlantic Ocean.

Andrea Losi, Avio Commerciale Sales Director, says, "DH Sutherland's culture, and commitment to their customers, makes for an exciting partnership that will help both companies to bring greater value to their customers and suppliers. We expect to start seeing exciting results immediately."

Andrew Crouse, DH Sutherland President, says, "Partnering with Avio Commerciale is a very exciting initiative. In the time spent planning the strategic partnership it became clear, very early in the process that Avio Commerciale shares our company values and works as a trusted partner in pursuit of excellence. The DH Sutherland team is excited to act on advanced composite trends across the Americas and Europe to guide our customers to increased levels of success."
